

Dear Valued Customers,

Alert for Counterfeit Products

First of all, please take our heartfelt gratitude for your kind patronage to us.

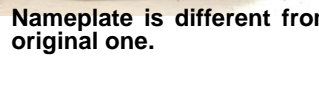

We found that counterfeit products, which copied our products appearance and logo mark, are sold through EC site mainly for South-East Asia. Those products don't meet our quality standard, then they may cause serious problems or malfunctions while use.

Against production and sales of those counterfeit products, we will warn and take a legal action. However, please kindly understand that we are unable to take any responsibility for problems or malfunctions due to use of the counterfeit products.

Details of the counterfeit products are as noted below. Please read below details carefully, and be sure not to purchase those products.
